
About our Teen Academy

The Academy will simulate actual law enforcement training. The teen will learn different laws and rules that apply to various situations that Carmel Police Department officers may deal with on a regular basis. The teen will be put through some classroom instruction followed by actual role-plays that will give the teen an opportunity to experience situations that police officers face every day. It is our hope that the teen will better understand law enforcement while learning good decision-making and leadership skills.

The academy will last one week during the summer months and will be held at Clay Middle School, 5150 East 126th Street. The daily schedule will consist of **daily physical training**, classroom instruction and scenario training. Each day will end with a physical/social activity with the officers and teens that everyone can participate in. Students will receive a Teen Academy T-shirt and shorts on the first day and **will be required to wear these everyday**. We also **require that the teens wear comfortable athletic shoes everyday**. The academy will start promptly everyday at 1:00 PM and end at 8:00 PM. Teens will be given a one-hour dinner break every evening. **Please remember to pack a meal Monday through Thursday!** Graduation is on Friday and the meal will be provided.

Teens should be between the ages of 12-18 and in good physical health. For further information about the Teen Academy, please call the Carmel Police Department at 317-571-2536. **Attendance everyday is mandatory in order to graduate from the program.**
